

# Flight Guide

## Key Points

- Price Compare! 'Sky Scanner' and 'Expedia' to compare prices and routes!  
> popular routes: LA / Australia / Hong Kong / South /Korea / NZ
- Arrive into Nadi Airport
- Arrival Date - you must arrive by 8am on the Project Start Date.  
Your leaders will pick you up from the airport if this is the case.
- For early arrival - You can have a few days extra in Fiji before or after project. We advise staying at Smugglers Cove Resort.  
> Book via; <https://www.smugglerscove.com.fj/>
- Departure From Fiji Date - You can leave on the final day of your project at any time.
- You need 6 months validity on your passport from your departure date from Fiji
- Reminder - PRICE COMPARE! SkyScanner or Expedia
- Maximum stay in Fiji as a volunteer is 12 weeks. You must arrive in Fiji with an onward flight ticket departing no longer than 12 weeks from the day you land.

## Arriving Early?

It can be nice to arrive a day or more earlier into Fiji so you can acclimatize and relax by the pool before the project gets underway. We often have many (if not all) of the team choose to arrive early.

In this case, we recommend booking Smugglers Cove Resort to stay before the start of your project!

If you book in advance, Smugglers Cove will arrange a free transfer from the airport.
