Executive Summary/Organizational Background

[Sender Company] is a registered non-government entity. We are an operational NGO, meaning we plan and carry out boots-on-the-ground projects to accomplish our objectives. This requires a great deal of careful planning, communication, and local involvement for each project.

Our goal as an organization is to accomplish the following:

Goal #1

Goal #2

Goal #3

We hope to further our progress to reaching these goals through [Project Name], the project outlined in this proposal.

Problem Statement

(Add problem statement. What is the problem you are trying to solve? Craft a problem statement that makes it clear that there is a real problem in the population which needs to be solved.)

Project Summary/Justification

(Add project summary and justification. What justifies the financial and time commitments necessary to execute your plan? Provide sound data samples such as case studies and previous similar projects in other areas.)

Project Goals

Completion of this project will further our overarching objectives, including:
